Form 990, Part III, Line 1, Description of Organization Mission:

expertise in the areas of board governance, fund development, financial management, as well as marketing and communications. We audition our instructors to ensure that they are not only subject matter experts but also highly effective communicators in their area of specialty. Our goal is to help nonprofits operate in such a way as to improve their capacity to be effective, impactful, and sustainable thereby improving the lives of the individuals they serve. The more knowledgeable a nonprofit's board and staff are, the higher the likelihood that they will be able to leverage their resources for life changing impact and mission achievement.

Form 990, Part III, Line 2, New Program Services:

2019 was a year of continuous expansion and impact for the NLC. We grew our classroom training presence in Pinellas County, completing training for over 230 students and 22 CCAT (Core Capacity Assessment Tool) assessments throughout the Tampa Bay area to further understand capacity building needs of organizations in order to create plans to address these needs. Additionally, our average class size jumped 25% and we served nearly 4,000 total students from 416 unique organizations. We continue to track agencies engaging in three or more of our delivery modes (increased 85% in 2019) to measure impact. The NLC presented a sold-out Leadership Conference for the fourth year in a row with 700 nonprofit leaders in attendance. Finally, the NLC successfully presented its second Sustainability Cohort funded by J.P. Morgan Chase. The tools created in the cohort provided a guide for the

nonprofit leaders, including board members, to create strategic imperatives for agencies with a clarity of vision.

The NLC re-organized its administrative staff in 2019, adding additional talent in curriculum and business development as well as program delivery to better serve our constituents. The NLC hired its second fellow in Resource Development, Jessica Dvoracsek, in October of 2019. At the end of her 12-month fellowship we will assist her in finding the right fit in a Tampa Bay nonprofit agency in the critical role of fund development.

personalized coaching services. Because of the generous support of our funders, we are able to offer extraordinary quality for a remarkable value in nonprofit education. For example, a half day classroom training cost us on average \$276 per student to present per class. Funding from our donors reduces the registration fee to \$69 per class for our students. In 2019, our programs reached nearly 4,000 students with a 48% increase in classroom training attendance. Our curriculum offerings include certificate programs in Nonprofit Management (in partnership with the University of Tampa), Board Governance, Fund Development, Volunteer Management, Financial Management, Grant Writing and Nonprofit Leadership; peer exchange groups for CEOs, and CFOs; training in financial management and financial oversight, evaluation and outcomes, emotional intelligence, leadership and many others.

Classes are held in our state-of-the-art training center in Hillsborough as well as in several locations in Pinellas County and are taught by subject matter experts. Our students rate our programs highly

Our organization's guiding principle is to "live by the education we deliver". As a result we conduct our business according to the best practices that we teach. All board and staff sign a Conflict of Interest form on an annual basis.
